

#2216 PILOT WARDROBE

CAD engineered based on inputs of Aircrew Life Support Technicians, our new Pilot Wardrobe offers separate compartments for the new JHMCS helmet, HGU-55/P helmet, aircrew chemical warfare gear bag, harness, anti-exposure suit, G suit, flight jacket and personal items.

Wardrobe sizes can be adjusted to customer requirements and Aircrew Life Support Facility limitations.

These units bolt together in rows to create a stable installation that will not tip or move around in use.

Solid oak wood construction with hinges bolted through case sides and doors.

10 Year warranty against defects in material and workmanship, backed by a proven track record of customer service.

Approved by Aircrew Life Support professionals and pilots.
